

Home learning suggestions for the week beginning 29.06.20

As you know BBC bitesize has been doing daily lesson for each year group. If you want to expand the Golden 3 choose a lesson based on your child's interest.

Golden 1
(Reading/Phonics)

My Phase 5 sound mat

Golden 2
(Writing)

This week we are going to be focusing on the story of **Amelia Earhart**. This book can be read by your child. Maybe you want to read it to them the first/ & second day, then later on your child can have a go.

Enjoy it!

Golden 3
(Maths)

BBC bitesize will cover “money” this week. Visit the site if you feel that your child is still not confident or wants to revise.

We have been revising all parts of the curriculum that were covered at school. You have been working with your child supporting him/her in Maths for a while now. At this point, I think you know which part your child will benefit from revising.

If you cannot think of an activity for your child to do, let me know and I will provide some activities.

Monday 29th June

Practise phase 5 playing together!

Introduce the book.

Tell your child about Amelia Earhart so that he/she will find out what she was famous for.

Read the story to your child and discuss it (ask some questions to check comprehension)

Problem of the day

Kim has 21 apples and Madison has 17 apples. How many more apples does Kim have than Madison?

+ Arithmetic

Home learning suggestions for the week beginning 29.06.20

Thursday 2nd June

Practise phase 5 playing together!

Ask your child to retell the story.

Then tell him/her to pretend that he/she is an explorer. Ask how Amelia felt when she flew for the first time.

- What would you like to explore and why?
- What kind of equipment would you need?
- Will you take someone with you?

Write a list of the things you might need for your adventure.

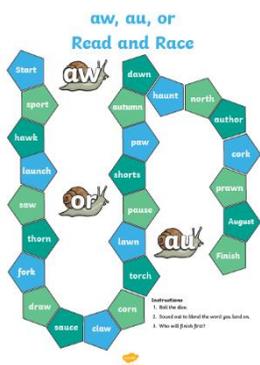

Problem of the day

Marcel has 17 marbles and Kacper was 3 bags of 5 marbles. Who has more marbles?

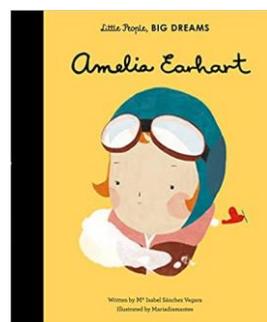

+ Arithmetic

Friday 3rd June

Practise phase 5 playing together!

“Big Write”

Reread the story if your child feels like it and after that ask him/her to have a go at writing about Amelia Earhart.

Problem of the day

Today is Monday and two days ago I went to visit my grandma. Which day of the week did I visit her?

+ Arithmetic
