## HEADS UPDATE

As the cold starts to set in, I am wondering whether we will have any 'Beasts from the East' coming our way this year. It was quite dramatic last year but it did lead into a fantastic hot summer. I have recently been given the protocol for what happens when the snow hits and we can't get into school. Because of breakfast club and Patsy having to clear snow, I have told everyone that I will make a decision by 6.30am on the day as to whether the school needs to close. As parents, you will be communicated to via the following ways:

- SPIRE FM will announce our school as closed.
- The school website will have an announcement on our home page.
- The office will send out a text message.

Sometimes it is an easy decision to make as the snow has fallen hard and very thick. But there are those times when it can be a 50/50 on whether the school can function properly. Can I say that I will make the decision based on the following criteria:

- How safely all families can get to school
- How many staff can safely get into school
- How dangerous it is in and around the school itself

Everyone will have an opinion and I recognise that it can cause stresses with regards to child care but please bare with us as we try to do what is right for your children.

## SPIRE FM Weather Kid

Last week, one of our CTK children was chosen to read the weather on SPIRE FM!

Elxie Cheevers is one of our Year 3 children who was more than excited to be on the radio for all her friends to hear! When I spoke with her to ask all about it, she told me she couldn't remember what the weather was that day but that she enjoyed being on the radio & felt famous! If you would like your child to be in with a chance of reading the weather on SPIRE FM, click [HERE](#) for more details.

## Our Perseverance Role Models

Well done to the pupils in each class who stood out throughout the week for persevering well in school. These pupils are helping to create an ethos in school where perseverance is valued as an important life skill.

## Yr 5/6 Football

On Tuesday night, our Year 5 and 6 football teams played away against Amesbury Archer. We took twelve players that were excited to be playing and showed incredible heart and passion on the field.

We are still a bit new to playing other schools but I am keen to give the pupils as much experience as possible. I am pleased to say that we won one game and lost one game. We are getting better. On Tuesday 5th February we will play Amesbury Archer again, but this time at home. If you can make it down to support, 3.30-4.15pm, we would love to have as many of you cheering our players on.

## Christ the King 200 Club

I would like to apologise for saying that received a cheque for £340 from the Rotary Club, in the newsletter last week. It was actually from Christ the King Church and Mr Simpkin presented it to me in person. Can I blame it on still be relatively new to school???

## CLASS ASSEMBLIES

At Christ the King, we are proud to show our parents/ carers what we have been up to in class every week. From here on in, we will be inviting parents to attend their child's class assembly, which will be held every Friday at 2pm.

Below we have put together a timetable of all class assemblies so please make sure you put the dates in your diary! Tea and coffee will be available at the kitchen hatch once the children have all returned to class for their Golden Time.

<b>Friday 1st February</b>	Resource Base (The Ark)
<b>Friday 8th February</b>	Class 2 (Dragonflies)
<b>Friday 15th February</b>	FS (Ladybirds)
<b>Friday 1st March</b>	Class 3 (Otters)
<b>Friday 8th March</b>	Class 1 (Honeybees)
<b>Friday 15th March</b>	Class 6 (Foxes)
<b>Friday 22nd March</b>	Class 5 (Tigers)

This week saw the turn of Miss Taylor and Mrs Paxtons year 4 children; the Snow Leopards. They talked about what they have learnt in RE this week; **“Paying it forward”**. This is when someone does something for you BUT instead of returning the favour to them, you pass that favour onto someone else who may need it more. We had a fantastic turn out of parents and invited them to stay for refreshments afterwards giving them the opportunity to meet with each other and school staff. The biscuits were rather popular to say the least!
