Drugs Policy

Visitors may be used to support drug education, where their contribution fits our needs and they are clear how their input fits into our planned programme. The class teacher is always present when visitors are working with our pupils.

Guiding principles

- *The possession, use and supply of illegal and other unauthorised substances within school boundaries is unacceptable and the school is clear around its legal position to manage and respond to incidents.*
- *The school has responsibility for the health and safety of the school community and in meeting the pastoral needs of all pupils.*
- *Pupils affected by their own or other's substance use will have access to support through the school and other local services.*
- *Substance use can be a symptom of other problems and the school will refer pupils to other services when needed.*

Incidents.

A drug related incident may include any of the following:

- *Finding drugs, or related paraphernalia on school premises.*
- *Possession of drugs by an individual on school premises.*
- *Use of drugs by an individual on school premises.*
- *Supply of drugs on school premises.*
- *Individuals disclosing information about their drug use.*
- *Rumours of drug possession supply or drug use.*
- *Reports of drug possession supply or drug use.*

Substances.

- *Alcohol is not permitted on the school premises except in the following circumstances, with permission of the head teacher or with written permission that has been granted by the school governor's. Anyone entering the school who is under the influence of alcohol will be asked to leave.*
- *Tobacco, including e-cig . As a no smoking site we do not permit the possession or permit smoking on the school grounds or the school boundaries which may affect the pupils.*
- *Illegal drugs: No illegal substances of paraphernalia are permitted on the school site. Any found to be in school will be confiscated and reported to the police.*
