## **HEADS UPDATE**

On Monday 11th March I will be flying out to Germany for three days, courtesy of the Local Authority. They are sending me to talk to families who are relocating back to the Amesbury area. My mission - to promote our school and see if they will consider us as their number one option for their children. The timing isn't great as we are still in our infancy of rebranding but my hope is that any parents talking to people in the local area will see that we are rising here.

We have started by redesigning the school logo and this is it!

We wanted a logo that reflected our focus that people are important to us, hence the figures around the outside. The crown was important and so the whole logo was designed in that shape.

We also wanted to introduce CTK as our brand and have Christ the King in the actual logo.

This new logo will be ever present on letters and emails from Monday 4th March.

## WORLD BOOK DAY

On Thursday 7th March, the whole school will be celebrating World Book Day! We are inviting EVERYONE (including staff) to dress up as their favourite character from their favourite book.

Miss Whately has kindly organised a competition for the children to take part in. All they have to do is design a front cover for their favourite book & pay £1 to be entered into a competition.

Alongside this, we will be running a children's raffle. The cost is £1 for a 5 tickets & the draw will be made during the assembly on World Book Day. All prizes available will be age appropriate for the children.

### PE AT SCHOOL

Please can we remind parents that children should have their full PE Kit in school at all times. Each class has a timetabled PE session each week BUT teachers will sometimes fit in an extra slot if they are able to.

#### PE Kit List:

- White T-shirt
- Black Shorts/Joggers
- Trainers or daps
- Jumper (optional)

### PARENT TEACHER MEETINGS

There are still appointments available for the parent teacher meetings being held on Wednesday 13th & Thursday 14th March.

Please speak with the office if you wish to book an appointment.

## Our rebranding continues!

Whilst we have adopted a new logo, shown on the first page, this is only part of the process. You will have already noticed that the blue has become darker (navy) and we have introduced gold. These are the colours we are looking to adopt for CTK. I would imagine your first thoughts are 'will the uniform change?' This is something we are considering but not just yet and when we do, it will be communicated clearly with a slow phased transition.

Since I arrived, we have been consistent in our use of Arial as our main font. From next Monday will be adopting new fonts and have decided on:

**Philosopher** for our titles

**Buenard** for our main text

We need to be consistent in our brand and I am keen to develop this brand in many areas of the school. For example, it has an impact on the playground markings and signs around the school. It is also more than just the physical appearance, it helps promote our sense of identity and how we distinguish ourselves from the other schools.
