Train to be a Teacher

Do you already have a degree? Did you know you can train locally with the Primary Catholic Partnership either for a PGCE or through School Direct? Teaching is an exciting, fulfilling career and one that requires a vocational and dedicated approach. No two days are the same and the delights expressed by the children in their learning are the greatest reward!

Why not come along to St Osmund's Catholic Primary School and find out more. **We will be holding a short open morning at St Osmund's School, Exeter Street, Salisbury SP1 2SG on Monday 1 April at 9am.** As well as hearing about routes into teaching, there will be an opportunity to meet the PCP Director and teachers who have completed the course and are working in the Salisbury area. If you would like to attend, please contact the school office on 01722 322632 or admin@st-osmunds.wilts.sch.uk

Please can I remind parents to be extra vigilant with their children on school grounds before and after school. We are increasingly finding children using the play equipment on the field without adult supervision.
