HEADS UPDATE

We had a Local Authority Inspection yesterday (they called it a “Review Day”) and whilst I am not allowed to tell you exactly how it went, I thought I would just put a picture below to illustrate my feelings at the moment.

I keep saying this school is on the up, and these inspections are telling us that we are getting better and better. Enough said for the moment (trust me I will tell you exactly what they said as soon as I get the report).

How good was Sports Day today! The children were brilliant, and in that heat they kept going. Thank you so much for your support, it meant a lot to the children and also to the staff who have been preparing their class over the last couple of weeks.

YOUTH CAN DO IT

Daisy Halliday, in Year 1, has been growing her hair for a year!! Why? Because she has been building up to this Saturday when she will have 12 inches cut off for the Princes Trust Charity. This selfless act of great kindness will see her hair be donated to help make wigs for those less fortunate. This is an amazing thing to do Daisy; we are all very proud of you. If you would like to support Daisy, please click [HERE](#)

FAREWELL MRS DA SILVA

We say goodbye to Julie Da Silva at the end of this term. Julie has been a versatile and talented TA at CTK for three & a half years. Having been trained as a teacher, we have been lucky to have her and I know the children and staff will miss her a lot. She has had a part time contract, working three days a week, but her expertise in music has led her to find a new role that calls upon those considerable skills within a new role. We wish her every success for the future.

SUMMER FAYRE

If any parents are able to help on the day, please speak with the office.
