## HEADS UPDATE

Dear Parents

Firstly to give you an update, I am still working from home having had the operation on my eye and nose and having to cope with the jokes about me having cosmetic surgery!

I am in regular contact with school and know that things are running well according to the plans we made for this term.

I have been extremely pleased with the way that Mrs Wepener and Mrs Davies have settled into Year 6. They have been committed to ensuring that the children are working to high expectations and producing work to the best of their ability. The behaviour within the class is definitely conducive to productive learning and good progress. Can I thank the parents of those children for their patience whilst we searched for the right teachers, little did we know that two great ones would come along at the same time.

Two other members of staff that have are becoming more of a permanent feature in school, is Mrs Jones and Mrs Ahmed. Both are working on a one to one basis with individual children in Key Stage 1. I have to say that the impact they have had on these pupils has been excellent, as is their attitude towards improving our school.

During my absence, I am really pleased to hear of the support offered to the school. The Governors and Local Authority have been in to help, as well as Mr Sanderson from St Osmund's. A big thank you to them for just being available to answer questions and support our leaders with anything they need.
