HEADS UPDATE

Christmas celebrations are in full flow around the school & it is lovely to see the smiles on children's faces as they get excited for what will happen in two weeks time. It doesn't mean that we have stopped work but rather that we are fitting a couple of other things in like the Key Stage 1 Nativity & the Key Stage 2 Carol Concert.

This Autumn Term has been a long one & we have packed lots in. The staff still have that final bit of energy in them to motivate your children but, if you get the chance over the next week, a little thank you for the effort they put in would be greatly appreciated. You have an incredibly committed staff here at CTK who stay late most nights & you will even see staff cars in parked in the car park on most Sundays. They commit like this because they are passionate about improving your children's learning opportunities & also in driving our school out of Special Measures.

We are expecting our HMI Tracy Hannon in again early in the new year & have been preparing for her two day visit. We won't know when she is coming in until we get the phone call a day before! Each time she delves a little deeper & it great that she said the school '*looked unrecognisable from 12 months ago*', last time.

PTA Christmas Fayre

"The PTA would like to say a huge thank you to everyone for helping make the Christmas Fayre so amazing. Thank you to the friends at home for all the donations for the stalls this term & Thank you to each class for decorating the stalls they all looked very festive. Year 5 & 6 volunteers did a brilliant job running the stalls. It was wonderful to have so many adult helpers on the day. We are grateful that a very special visitor or two popped by from the North Pole. The PTA have had lots of help & support from all the staff at school, so thank you & MERRY CHRISTMAS."

Thanks to all of your support, we were able to raise just over £1,300! The PTA & school staff have made the decision to use some of this money to purchase stage lighting for future school productions & events we hope to hold next year.

Year 3/4 Netball

In between showers this week, Miss Wright was able to take our year 3 & 4 netball players to a tournament at Amesbury Primary. She was so impressed with the way we played, we drew all our matches. Well done Miss Wright for persevering with the player in netball club, your coaching has paid off because we were getting beaten quite heavily last year.

Amesbury Tree of Light Service

A big thank you to all the families & staff that turned up at the turning on of the "Tree of Light" in Amesbury on Monday. It was a bit cold but the children's singing soon warmed us up.

Consultation on Admissions Arrangements' 2021-22
