Leadership is developing really well at the school with staff taking ownership and responsibility of their subject areas. Whilst Maths and English is our stable morning diet, with the structure of lessons providing core skills, we are now looking more deeply into the way the other subjects are running. As momentum starts to pick up on this over the next few weeks, I thought you might like to know who leads what on the staff and Governing Body:

POLITE PARKING REMINDERS

Over the last couple of weeks, the office staff have had complaints about parking issues from the local residents. We understand that there is very limited parking along Parsonage Road but please can we remind parents to be more thoughtful when parking. **PLEASE** do not block peoples driveways & do not park on the double yellow lines or zig zags outside the front of the school.

Please can parents also refrain from parking right outside of the school gates. Due to us no longer having a crossing patrol, we need to ensure parents and children are able to cross the road outside of school, safely.

Can we also remind parents that the car park is **ONLY** for staff and those taxis/parents quickly picking up/dropping off children in the Resource Base.

SCO PAY ONLINE BOOKING/PAYMENT SYSTEM REMINDERS

- Please can parents endeavour to use the SCO Pay Online system or app to book School lunches, Breakfast Club and Afterschool Clubs rather than making bookings through the office. If you require login details, please speak with the office staff.
- Breakfast Club & School Lunches must be booked **1 WEEK** in advance (working week). The office staff are unable to override the system unless booking is due to exceptional circumstances.
