## HEADS UPDATE - Coronavirus

If ever there was a time to put our faith in those that know best, the expert scientists, and those that are making the decisions on how to react to those experts, the Government, it is now.

You will all be watching carefully the movement and growth of the virus as it spreads and obviously be concerned about loved ones, friends and colleagues. We share your concerns at school and are hanging on every word that Public Health England publish. We are abiding by the advice given and not panicking in any way. We are planning for school closure but will not act until we are given the green light from the Government. Teachers are being told to prepare work for the pupils that parents can access through the class pages on the school website. We will only upload if and when the school closes.

Our thanks goes out to all the PTA Members (both parents and staff ) for their efforts to organise and execute this event. The evening was thoroughly enjoyed by over fifty attendees meaning we were able to raise over £230!!! Thank you so much for your support! We know it can prove very difficult to get a PTA committee together BUT they have done an amazing job organising this and we look forward to any future events they are planning to help raise money for the school.

### POLITE REMINDERS TO PARENTS

- It has been noticed that children are using the equipment in and around the KS1 playground (including the Pirate Ship and trim trail) at the beginning and end of the day. Please can I ask that parents refrain from allowing their children to use equipment at these time for safety reasons.
- Please can parents remind their children about basic road safety. We have had a couple of “close calls” this week where children have bolted across the main road on Boscombe Hill without looking and nearly been hit.
- As of Monday 16th March, Miss Cook will be in the office on her own. Please be patient when you are attempting to contact the office. If you need to collect your child early or drop them off late due to appointments, please ensure Miss Cook is aware of this on the day of the appointment so we can make sure the office is manned to sign you in/out.
