

CTK WEEKLY

Prayer

God of compassion,
Be close to those that are ill,
Afraid or in isolation.
In their loneliness, be their
consolation;
In their anxiety, be their hope;
In their darkness, be their
light;
Through him who suffered
alone on the cross,
But reigns with you in glory.
Christ the King—Pray for us.

HEADS UPDATE

I could not be prouder of our staff, pupils and parents. Wow! What I have experienced today is a total understanding of the situation we are in and a calm and respectful approach to resolving any issues, from everyone. Thank you so much.

Who knows when we will be back! People are trying to predict it as well as they can but nobody really knows yet. Please keep your children safe by applying structure to the school days. **MAKE A TIMETABLE**. Sorry to sound patronising but this is so important as otherwise days will drift, children will get bored and that is when issues will start to arise.

In school, children are best behaved when they are busy and have focus. There will be a suggested timetable on the school website next week if you need some guidance or a starting point.

Staff **will** still be working and available through email, or if you need to speak to me, then call the school or email head@christtheking.wilts.sch.uk.

Stay safe and **we will keep in touch.**

CHAIRS OF GOVERNORS MESSAGE

Dear Parents and Carers

Speaking on behalf of my fellow Governors can I, as Chair of Governors, thank you all - and especially our wonderful staff - for your forbearance and patience as we respond to the evolving situation as the coronavirus pandemic develops.

The Governors and I will work with Chris Raymond and the staff, the Local Authority and the Diocese to ensure that Christ the King School responds to the needs of our pupils, and to you as parents and carers, as national directives evolve. These are trying and worrying times for us all, which we have no choice but to bear with fortitude.

Our aim is, of course, to secure Christ the King School as a place where our children can continue to be educated in a loving and caring environment when this crisis passes - as it will surely do.

And to you all, take care of yourselves and your families in the coming weeks.

You are all in our thoughts and prayers.

Mike Thompson

Chair of Governors

Children coming in to school

Those children that qualify to come into school because parents are Key Workers - PLEASE BRING A PACKED LUNCH.

The children will be taught by our teachers and TAs throughout the day and even Football Paul will be around.
